GEORGE WASHINGTON UNIVERSITY
SCHOOL OF NURSING
GAA HIGHLIGHTS

Cumulative GPA Required
• Cumulative 3.0 in Nursing and overall 3.0 at the VCCS.

Acceptance Status
• Obtained an A.D.N. from a nursing program in VCCS that is NLNAC accredited.
• Unencumbered U.S. license as an RN and evidence of current employment that requires use of nursing knowledge and expertise at the times.
• Completed prerequisite coursework
• Prerequisites:
  Human Anatomy and Physiology (6-8 credits), Microbiology (3-4 credits), Statistics (3 credits), Nutrition (3 credits), and Ethics (3 credits)
  Required but may be taken in the A.D.N. program:
  English (6 credits), Math (3 credits), and Humanities/Social Sciences (12 credits)
  Any of these general education courses not completed as a part of the A.D.N. may be applied toward the additional general education requirements needed at GWU (See agreement Table 1).
• Students accepted under the agreement will be required to complete 21 credits of course work and submit a portfolio (a review of their clinical practice-worth 15 credits).
• See the full agreement for MSN requirements for those who obtained and ADN from the VCCS and received a Bachelor’s degree in a field other than nursing.
