VIRGINIA TECH
COLLEGE OF ENGINEERING
GAA HIGHLIGHTS

Cumulative GPA Required
• Minimum cumulative GPA of 3.2 at the time of the degree award

Acceptance Status
• For Summer II or Fall term only
• Associates of Science in Engineering (AS)
• Guaranteed Admission is to General Engineering. Admission to a specific department is subject to availability and specific departmental entrance requirements. Eligible students will be admitted to alternate engineering majors if the first choice is not available.
• All courses completed at the community college and offered for transfer credit to the university must be passed with a grade of C or better.
• Advance standing credit will be re-evaluated by Virginia Tech upon enrollment
• Students who have credit outside the VCCS (non-native) are eligible but will not automatically satisfy lower-division general education courses. Non-native courses will be evaluated individually. No credit awarded for experiential learning.
• Students earning an associate degree concurrent with high school graduation are not eligible for admission under the terms of this agreement.
• Scholarships are available, see agreement for details.
• See Transfer Guide in the full agreement for course requirements.

Please refer to full agreement for specific details.
