WESTERN GOVERNORS UNIVERSITY
BUSINESS, HEALTH, EDUCATION, AND INFORMATION TECHNOLOGY
GAA HIGHLIGHTS

Applicable Degrees

- Earn an Associate of Arts & Sciences or Associate of Applied Science that aligns with WGU’s bachelor’s degrees in business, Health Professions (including Nursing), Education, and Information Technology. A current list of all articulated agreements can be found online at https://partners.wgu.edu/
  - Nursing students must complete AAS in Nursing and provide evidence of current, unencumbered R.N. license; must include resume with proof of current R.N. employment
  - IT students may have specific pre-requisite courses. Check here for more information: https://partners.wgu.edu/transferguidelines

Requirements

- Complete an intake interview by phone with WGU counselor
- Earn cumulative GPA of 2.0 or higher
- All courses that are “C” or higher will transfer; some state licensure courses may require a “B” or better; “D” grades may transfer with completion of full associate degree and overall GPA of 2.0 or higher

Application fee is waived for GAA students
